Draft Programme 7 April 2015

Friday, 12 June 2015

9:30 am – 12 Noon

9:00-9:30 am Registration

9:30-11:30 am **Three parallel workshops**

Participants in the three workshops will have the opportunity to exchange experience and good practice. Stakeholders and experts related to the topic are invited to share their know-how. New synergies may be initiated and project ideas can be formed. The key messages of each workshop will be presented in a final plenary session.

Workshop 1: **Work-based learning: Get inside the world of the online Toolkit!**

Participants will be able to learn more about the selected best practice tools regarding work-based learning developed under the Lifelong Learning Programme so far. Main part of the workshop is an interactive testing of content, functionalities and design of the Toolkit. General aim is to collect feedback to improve the further development of the Toolkit and to involve relevant stakeholders to use, support and disseminate work-based learning and the Toolkit.

Facilitator: National Agency for Lifelong Learning, Austrian Agency for International Cooperation in Education and Research (OeAD-GmbH)

Workshop 2: **Quality issues (e.g support of SMEs focus)**

Workshop description will be available soon.

Facilitator: National Agency for Community Programs for Education and Professional Development, Ministry of Education and Scientific Research, Romania

Workshop 3: **Cooperation between education and training and the world of work**

Cooperation between the world of VET education and the world of work - exploring ways of cooperation among VET schools, companies and social partners with the aim of determining strengths but also needs and gaps. Supporting enterprises with tailor-made information and to make the work based learning more attractive for enterprises, especially for SMEs. Good practices, project presentations, discussion.

Facilitator: Tempus Public Foundation, Hungary
